

Make a Zine!

Your zine could be about anything: music, art, films, pets, sports...

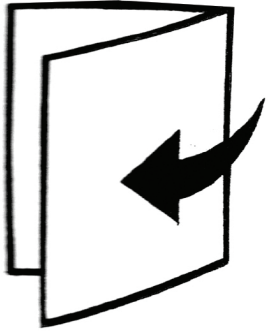

Fill your pages with drawings, stories, jokes etc and then...

Publish it!
Unfold your zine, scan it and then print out copies for your friends.

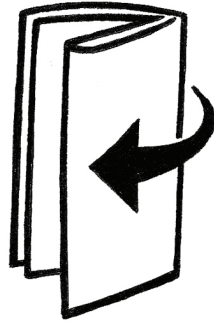

What will your zine be about?

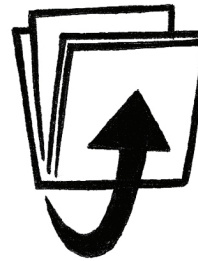

Make a Zine!

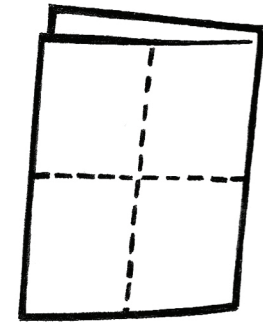

1. Fold a piece of A4 paper in half short edge to short edge.

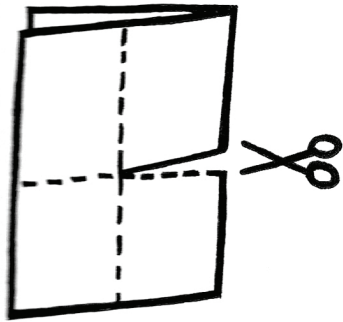

2. Fold it in half again, long edge to long edge.

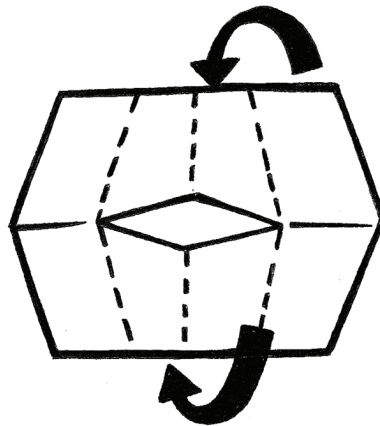

3. and then fold again short edge to short edge.

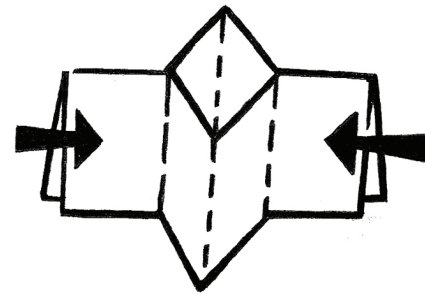

4. Undo step 2. The paper should be creased like this.

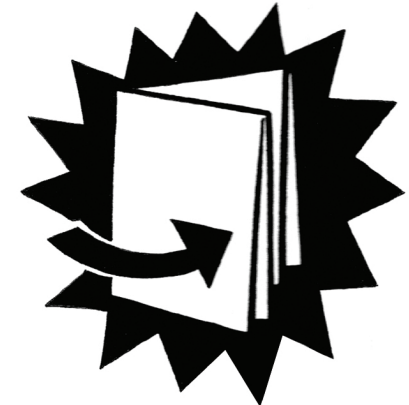

5. Cut along the centre crease starting from the folded edge and stopping half way.

6. Open up the paper and fold it in half long edge to long edge.

7. Pinch the two folds on either side of the slit and push them together.

8. Press it flat - you've made a zine!
