

## Rosettes

Here are some rosettes. Have you ever seen one? They are usually made out of ribbons and have a badge with a special message for the person you are giving it to. It is often used as a reward and worn as a badge.

Colour in the rosettes. Once you have coloured them in, give them out! Use Sellotape or a pin to fix it to your lapel.

Now this is your  
turn to make rosettes  
for someone to show them  
how much you appreciate  
them. Here are some  
ideas of special awards  
you could give: best mum,  
funniest friend, best  
artist...
