

the
point.

Colour and cut out The Point and some handy local shops!
Maybe you could add some buildings of your own, or trees
and vehicles.

Cut along the solid lines, score along the dotted lines and
fold to make them stand. A penny works well to weigh
them down.

Cut Out Buildings

What are
the shoppers
saying to each
other?

IDEA!

Why not make
some colourful
backgrounds or
new people to visit
the shops?

TIP!

Get extra creative
and photograph
your buildings in
different places.
